

ASK DANIELS TO SPEAK HERE ON NOVEMBER 3

Former Navy Secretary In-
vited to Address Near East
Relief Conference.

Efforts are being made to have
Senator Claude A. Swanson and
former Secretary of the Navy Josephus
Daniels, address the annual State
conference of the Near East Relief,
to be held in this city, November 3.
It was announced yesterday by Oliver
J. Sands, prominent Richmond banker,
who is State chairman.

County and city chairmen from
every part of Virginia will be in at-
tendance, as well as many members
of county executive committees. The
conference will be held for the pur-
pose of better acquainting Virginians
with the work that is being done
for the suffering Armenians and
Syrians who have become martyrs
through their refusal to renounce
Christianity.

General W. W. Sale, whose genius
for organization is credited with hav-
ing "put over" Senator Trinkle as
Virginia's next Governor, will address
the delegation on "Organization to
the Nth Degree," which he is claimed
to have used in overcoming Tucker's
big lead, when Trinkle entered the
race. General Sale was the Trinkle
campaign manager.

John W. Mace, national field director
and Dr. A. C. McCrae, both from the
New York office of the Near East
Relief, will recount their own ex-
perience and observations in the de-
vasted lands. A film actually taken
in the stricken Bible lands, "Alicia in
Lunenburg," will be shown the dele-
gates.

Oliver J. Sands, State chairman,
and Dr. Hugh D. C. MacLachlan, of
Richmond, will speak. Among the
other speakers will be Mrs. R. J.
White, of Keller, a sister of State
Senator Mapp; J. A. Baird, of Peters-
burg; C. E. Tiffany, of Warrenton;
Mrs. Henry Eley, of Suffolk; George
A. Lee, of Danville; Dr. P. W. Beck-
ham, of Falmouth; Mrs. Z. V. White,
of Roanoke; Fred D. Maphis, of Stras-
burg; Rev. W. W. Arrowood, of Tazew-
ell; and Richard Hancock, of Lynch-
burg.

LABORERS WANT FOOD AS WAGES FOR WORK

Cost of Living Increases 40 Per Cent
in Poland During
September.

WARSAW, Oct. 15.—An increase of
40 per cent in the cost of living in
Poland in September resulted from
the demand by workers that labor
be compensated partly with cash and
partly with foodstuffs. The work-
men at Cracow, after estimating the
necessary food for an average family
of five in grain, potatoes, etc., have
presented a schedule of provisions
and wages on the basis of a new
agreement.

The workmen argue that strikes
will be materially reduced if labor
is given the certainty of receiving
food from employers, free from specu-
lators' machinations, as the re-
sulted demands for increased wages
resulted from the disproportion be-
tween pay envelopes and the rising
food costs.

vail in the copra industry at Tutuila
this year. Samians engaged in cut-
ting the copra say the year's output
will be greater than it ever was be-
fore. The prices are lower than they
have been for twenty years.
